

Cremation Service Packages

For your convenience and to assist in your selection of the funeral services that we offer, we have "pre-packaged" some of the most frequently requested cremation services.

Please Note: All package prices are in addition to merchandise selected and cash advanced items). No deductions will be made to these packages. If a type of arrangement is desired that is not packaged, selections must be made from the itemized section of the General Price List.

If you want to arrange a direct cremation, you may choose an alternative container. Alternative containers encase the body and can be made of materials like fiberboard or composition materials (with or without hard outside covering). The containers we provide are corrugated cardboard. You also have the right to provide your own container.

All cremation prices include crematory only if it is selected by MMFH

Not included in packages are other cash advance items.
