

# Decoration Guidelines

To maintain the serenity and elegance of the cemetery, we ask that you kindly adhere to the following decoration guidelines.

## Fresh Cut Flowers

Fresh cut flowers are permitted during mowing season from **March 1 - October 31**. In order to preserve the beauty of our mausoleums, flowers that are out of season or wilted will be removed. Additionally, all flowers are removed every **March 1** as part of our Spring Clean Up. Personal items you would like to keep should be removed before this time.

## Artificial Flowers

Artificial flowers are permitted for the following occasions: Easter Sunday, Mother's Day, Father's Day, Memorial Day, Labor Day, Grandparents Day and July 4. Artificial flowers, wreaths, potted plants and baskets are permitted one week before the occasion and will be removed one week after the occasion.

## Use of Approved Vases

Fresh cut and artificial flowers are permitted only in approved vases. If a permanent vase or bronze memorial has not been placed at the grave, please refer to our display of approved designs in the office.

## Crypt Flower Placement

Flowers placed on the floor and items adhered to the crypt front are prohibited and will be removed immediately as they can ruin the coloring of the crypt front.

## Winter Wreaths

Winter wreaths on a stand or properly hung on a mausoleum crypt front may be displayed from **November 1 - February 28**, after which they will be removed.

Grave blankets are prohibited.

## Trees & Benches

Tree plantings and benches are available in certain areas. Please contact the office for details.

\* Decorations other than those listed are prohibited.
